

Township of Frontenac Islands Summer Employment Opportunities

Environmental Stewards

Spend your summer making a difference in nature! The Township of Frontenac Islands manages a 404-hectare coastal wetland at Big Sandy Bay on Wolfe Island, recognized by the Province as an Area of Natural and Scientific Interest (ANSI). This unique habitat is home to rare and uncommon plants, provincially and regionally significant birds, and several provincially rare trees.

We're looking for enthusiastic students to join our team for Summer 2026 to gain hands-on experience in environmental stewardship, conservation, and fieldwork. If you love nature and want a meaningful, active summer, this is the opportunity for you!

Qualifications:

- Mature personality, dependable, and excellent interpersonal skills
- Ability to react in a proactive manner in confrontational circumstances.
- Ability to work independently and responsibly with minimal supervision in a remote setting but also work well in a small team.
- Be available to work weekends, holidays, possible long and odd hours as necessary.
- Must enjoy working outdoors.
- Ability to perform multiple tasks requiring physical exertion including walking long distances in soft sand and long trails
- Valid Driver's License
- Own Transportation
- Certification in Basic First Aid and CPR preferred.

Stewardship duties:

- Interact with the public in an open-minded, patient, and constructive manner
- Provide visitors with information about the sensitive nature.
- Collect accurate visitor traffic data.
- Collect admission fees
- Support volunteer efforts.
- Maintain the lawn, gardens, and daily chores.
- Share gate keeping duties with other environmental employees.
- Maintain the site signs and barriers and perform regular, daily area clean up.

Other duties as assigned.

Please submit cover letter and resumé by May 8, 2026, by 4 pm to:
