

# The Township of Frontenac Islands

## Ad-Hoc Ferry and Emergency Medical Services Advisory Committee

### Resident Representatives (5) from Wolfe Island

The Township of Frontenac Islands is seeking **five (5) Wolfe Island resident representatives** to serve on an Ad-Hoc Ferry and Emergency Medical Services (EMS) Advisory Committee. This committee's purpose is to review, assess, and provide advice to Council regarding ferry service reliability, contingency planning, and emergency medical access affecting residents.

### Who Should Apply

We welcome applications from Wolfe Island residents.

### Time Commitment/Term

Meetings shall be scheduled on an as-needed basis, at the call of the Chair and held in person on Wolfe Island. The committee is established as an ad-hoc committee and shall remain in effect until submission of final recommendations to Council, at which time it shall be dissolved unless otherwise extended by Council resolution or upon the end of term of Council.

### How to Apply

Please submit the following documents:

- **Letter of Interest** (briefly outlining why you wish to participate and what perspective/experience you bring), and
- **Resumé**

Application deadline: **Thursday, April 2, 2026** before 4:00 pm.
