Vanessa Latimer
Chief Administrative Officer
Township of Frontenac Islands
VLatimer@frontenacislands.ca

Dear Vanessa Latimer:

The Ministry of Transportation has introduced a new Ontario 511 feature to provide Glenora and Wolfe Island ferry users with more information to help plan their travel.

Track My Ferry allows users to view their ferry's current location on [Ontario 511's interactive map](#) by opening the map legend in the top-right corner of their screen and selecting Ferry Services. A boat icon will appear on the map, showing the ferry's location, destination and estimated arrival time.

Ontario 511's interactive map and status notifications now include information such as estimated outage and return-to-service times for ferries (when available), as well as dock changes for the Wolfe Island ferry.

Ferry users can still get status updates through [511's other features](#), including by dialing 5-1-1 on their phone, downloading the mobile app, or [subscribing to receive status alerts](#) by email or text.

Sincerely,

A handwritten signature in blue ink that reads "C. Millett".

Charlene Millett
Acting Regional Director, East Operations

c. Judy Greenwood-Speers, Mayor, Township of Frontenac Islands
