Dear Vanessa Latimer,

The Wolfe Islander IV has returned to Marysville from dry dock in Hamilton.

Prior to return to service, the vessel will undergo fire and safety inspections and drills, as well as testing to confirm that systems are functioning well and meet all regulatory requirements.

Once the testing and inspections are completed, which are conducted on-site with crew, the Wolfe Islander IV will return to service. Further details will be provided following inspections and safety testing.

Until then, the Wolfe Islander III will continue to provide ferry service between Kingston and Dawson Point.

For information on the Wolfe Island ferry and scheduling, please visit [www.ontario.ca/page/ferry-services#section-1](http://www.ontario.ca/page/ferry-services#section-1).

Sincerely,

A handwritten signature in black ink that reads "Franca Sacchetti". The signature is fluid and cursive, with the first name "Franca" and last name "Sacchetti" clearly distinguishable.
