Dear Vanessa Latimer,

Thank you for sharing community feedback on the preferred timing of the Wolfe Islander IV's layover period.

The Ministry of Transportation has moved the required 40-minute layover period to accommodate the preference of community members.

After the ferry departs Wolfe Island at 2340h, it will carry passengers to Kingston where the layover will begin at 0020h. At 0100h, the layover period will end and the ferry will resume regular service from Kingston, operating until the last ferry departs at 0220h. The complete schedule can be viewed on our website at ontario.ca/ferries.

We value the community's input, and on the council's recommendation, we hope the new layover time will be more convenient for ferry users.

Thank you for working with us to determine a time that better meets the needs of Wolfe Islanders.

Sincerely,

A handwritten signature in black ink, reading "Franca Sacchetti".
