- Try home made goods from the bakery.
- Discover the many Island Artisans.
- Pick up souvenirs at the village stores.
- Come back soon!

WELCOME TO WOLFE ISLAND

Home to beautiful sunrises, breathtaking sunsets and enjoyable rural landscapes.

Cycling is a popular activity for the many visitors to the island and can be a most pleasant and exhilarating experience for both the cyclists and the community when both sides practice safe riding habits. The routes provided attempt to take you on roads that are less traveled by motor vehicles but where this is not possible, please observe the rules of the road. In particular ensure that you travel as far to the right of the road as possible and obey all traffic signs and laws.

PLEASE: be kind to our environment and leave only footprints; use garbage cans located throughout our village of Marysville; respect private property; bring binoculars to capture those far off sights and wear a helmet.
